

Staples Advantage Program - how to access Jan 25/2012

Good morning Jude,

It was great to get a chance to talk to you today. We are also members of the BC Chamber of Commerce and we offer special rates for office supplies to all members. We launched this program in August but we have worked with the Whistler Chamber for a few years and it has been extremely successful with the members.

I have attached an info sheet that tells about the program. For all members we offer custom prices for Toner, Paper and other key items. I can also give really low prices on bigger items like Furniture, Printers etc.

Also we have all members setup with our Strictly Business prices. I should have mentioned this on the phone, we do run quite differently than the regular Staples because we have our own catalogues and online ordering website. You do not get the same Chamber prices at the retail locations.

We also offer free next day delivery for orders over \$50. Cut off time is 4 pm (3 pm if ordered online, to be safe)

We can also offer this program to the Boundary Country Regional Chamber of Commerce office too. I can also send you a Credit Application if you want to setup an account. Or if you prefer to pay with credit card then I can do the setup for you.

Thanks and please let me know if you have any questions.
